

THE BEST PLATFORM FOR YOUR NEW WEBSITE

A gorgeous, optimized, profit-driving website does not have to cost a fortune. There are a handful of great options available to you and we'll give you the scoop on each of them below.

Good Website Platforms

The following are build-it-yourself website options that require NO CODING skills - they are drag and drop. They're very affordable, and these platforms have all gotten more customizable and easy to use.

Website Builder	Starts at:	Recommended for:	Learn more
Online Agency	\$38/mo	BEST OPTION for Travel Agents	Learn More ➤
Squarespace	\$18.00/mo	Gorgeous artistic templates with lots of features & customizations	Learn More ➤
SiteBuilder	\$9.95/mo	Simple & easy for making basic websites	Learn More ➤
Wix	\$14.00/mo	Customizable templates and easy-to-use	Learn More ➤
Weebly	\$14.00/mo	Great user experience and lots of features.	Learn More ➤

Another option is a Wordpress site. If you choose to go with Wordpress, you should hire a graphic designer to design your site, and then hire a programmer to build it and maintain it for you.

Unless you have some coding skills and are quite tech-savvy, you won't be able to get a Wordpress site look and function the way you need it on your own.

Wordpress is the most expensive option because you'll need to hire professionals to help you.
